Coconut Essence Coconut Water is the pure essence of nature providing a great tasting sports and energy drink. Literally plucked from nature, it's full of natural electrolytes and vitamins. We've combined our famous coconut water and blended it with fruit juice, to create our brand new flavoured coconut water product which is entirely gluten free.

NEW!

For a healthy coffee hit that is perfect for Summer, try JT's BRAND NEW Espresso Coconut Water. It's coffee and coconut water all in one!

Enjoy all of the health benefits that our pure coconut water has to offer while getting your morning caffeine fix!

Onepure bottles this pure, soft mineral water directly at its source. When you open a bottle of Onepure, it will be the very first time in 150 years that the water inside is exposed to the air. Free from bacteriological and viral contamination, it requires absolutely no filtration or chemical treatment. We add nothing, and take nothing away: untouched from aquifer to first sip...A moment of pure awakening.
